

Opportunities for Involvement

Each year the Chamber President makes committee appointments, and during the annual Board of Directors Retreat the Program of Work is reviewed and determined. Member participation is not only welcome, but necessary to the success of any committee, project and program.

You may indicate your preference by returning this form to the Chamber office or by calling. Otherwise, notice of committees, projects and programs always appear in *The Chamber Speaks*, our newsletter. You may respond as such notice comes to your attention. Thank you for your consideration.

- GOLF TOURNAMENT – held in June annually _____
